

Iroquois County Agricultural & 4-H Club Fair  
Fairgrounds at Crescent City, Illinois

If you bring your camper in on Sunday, please do not run your AC until you arrive to stay. You may of course run your refrigerator.

PO Box 301 – Crescent City, IL 60928  
Phone 815-683-2359 After July 1<sup>st</sup>

Dear Camper:

This year's fair dates are July 16-21, 2024

Camper locations will be issued on the following basis:

1. Postmark on completed camper application (with fees)
2. Size and length of your camper
3. Available space

**Notice: Campers CANNOT be removed BETWEEN 2-6 PM on SUNDAY, JULY 21 DURING LIVESTOCK DISMISSAL TIME. Campers can be removed at any other time during the fair. Anyone leaving during those hours will lose camping privileges for 2 years!**

Please complete the camper application and return it with proper fees **by June 15, 2024**. After this date, we will begin accepting applications from new campers and spots will be sold. If a group of campers wants to camp together, please indicate so on your application. **Camper spots are not transferable.**

All camper spots will be **\$160.00 and will include one parking permit**. Campers have increased in size so parking has become congested. Your vehicle must fit into **YOUR** space between the lines, even with the parking permit or it will **have to be parked in the general parking lots.** **Only one permit will be issued! No extra parking by tie-outs or barns or empty camping spots. There are very limited spots open for 42 ft campers.**

**Campers may be brought onto the fairgrounds beginning at 9:00 A.M. on Sunday July 14, 2024.** The \$160 camping rate covers Sunday, July 14 - Monday July 22. **Absolutely no campers will be allowed to enter until 9:00 A.M. on Sunday July 14<sup>th</sup>.** Any camper disobeying this rule will lose their camping privileges. There is a \$15.00/day additional camper fee for those wishing to stay after July 22<sup>nd</sup>.

**No livestock trailers or trailer campers will be allowed to stay in the east campground.**

\*\*\*\*\*

**Note: Many camping spots now have 50 amp. You may need to have an adapter to plug in.**

**Please remember that no fires are allowed on the campground.**

**Black water dumping will not be allowed during or after the fair. We are again working with Hiltz Septic. They will be available for dumping on Thursday and then again on Sunday. You must prepay for this service. Payment must be made with your camper application. On Wednesday June 17<sup>th</sup> flags indicating your payment will be ready for you to pick up at the fair office. These must be displayed at the road side of your lot by 7:00 am the day of your scheduled service so it is easily seen by their driver.**

In order to chaperone our young exhibitors and help relieve a small portion of our liability, we require the signature of an adult (21 years or older) who will be staying in the camper each night. If you are not using your space this year, please let us know as soon as possible.

Stickers will be mailed to you upon the receipt of completed application and fees and assignment of locations. If there are any changes to you mailing label please note.

Your camping site is \_\_\_\_\_ Please let me know ASAP if you are not needing your camping space this year. 815-383-1269.

Sincerely,

*Pat Ward, Secretary*
