Dear Camper:

This year's fair dates are July 19-24, 2022.

Camper locations will be issued on the following basis:

1. Postmark on completed camper application (**with fees**)
2. Size and length of your camper
3. Available space

Please complete the camper application and return it with proper fees **prior to July 1st**. After this date we will be accepting applications from new campers and spots will be sold. If a group of campers wants to camp together please indicate so in your application. **Camper spots are not transferable.**

All camper spots will be **\$160.00 and will include one parking permit**. Campers have increased in size so parking has become congested. Your vehicle must fit into **YOUR** space even with the parking permit or it will have to be in the general parking lots. **Only one permit will be issued! No extra parking by tie-outs, open areas or barns!**

Any camper not complying with written camper rules from the fairbook and/or official web page may be banned from camping for a period of one year, at which time each case will be considered by the Board of Directors for readmission. Any vehicles found parking on the road or in a spot other than your assigned space in the camping area will nullify your permit for the next year.

Campers may be brought in beginning on Sunday July 17, 2022 at 9:00 A.M. These rates are from Sunday, July 17 – Monday July 25. **Absolutely no campers will be allowed to come in until 9:00 A.M. on Sunday July 17th.** Any camper not complying with this rule will lose their camping privileges. The \$15.00/day additional camper fee will be only for those wishing to stay after Monday July 25th. **NO CAMPERS MAY LEAVE ON SUNDAY JULY 24TH BETWEEN 4:00 PM-8:00 pm DURING LIVESTOCK RELEASE TIMES. They may leave before or after those times.**

Please remember that no fires are allowed on the campground.

Black water dumping will not be allowed during or after the fair. Hiltz Septic will be offering dumping on the morning of Thursday July 21st and Sunday July 24th at \$30.00 per dump, payment needs to be included with camper application form.

In order to chaperone our young exhibitors and help relieve a small portion of our liability, we again are requiring the signature of an adult (21 years & up) who will be staying in the camper each night. If you are not using your space this year, please let us know as soon as possible.

Stickers will be mailed to you upon the receipt of completed application and fees and assigning of locations. If there are any changes to your mailing label please note.

Your camping site is _____. Please let me know ASAP if you are not needing your camping space this year. 815-383-1269.

Sincerely,

Pat Ward Secretary
